

TREASURE HUNTERS

Come & Find...

Dear Parent/Guardian

We invite your child to participate in the Treasure Hunters program that the school now offers in partnership with YouthCARE. Treasure Hunters supports WA school communities through programs that develop life skills in students. Trained volunteers teach values and beliefs through Bible stories, games, activities, drama and music.

Volunteers are trained to be respectful of every child from every background as they explore integrity, values, and character. The sessions run weekly and the time and place will be confirmed closer to the commencement date.

If you would like your child to come and find out more, please indicate your preference below and return the signed form to us.
