School

Orelia Primary School is a Your Move School and encourages all students to walk, ride or scoot to and from school where possible.

Heaps of kids are walking, riding and scootering to our school every day. Here's a nifty little map to help you plan your way to school.

Getting active on the way to school means you have time to spend with your family and friends, can focus better in class, stay fit and healthy, plus gain some independence and do the right thing for our environment.

If walking or riding the whole way to school isn't an option, ask your parents to park nearby then walk or ride the rest of the way!

"I like to ride my scooter because it's more fun than walking and it's faster. When it's a hot day you can go fast then you can get fresh air. At the end of the day I can talk to my friends while riding." **Taylah** (right)

"I like to ride my bike to school and home again to keep fit and healthy, and it's fun too. I also like to know my neighbourhood and talk to my friends." **Jude** (left)
